A MESSAGE FROM

SOLLY NOWROZI

"It Takes Just One Night to Help Break the Cycle of Homelessness!

This year, I'm taking part in the Vinnies CEO Sleepout because I believe everyone deserves a safe place to call home. Special thanks to Elia Hill (GAICD) and Matt Kratiuk, who are the Brand Ambassadors, for their incredible support and encouragement.

As the Founder of I&B Investment Co., I set out our vision clearly: to provide safe and sustainable housing in healthy community environments where every Australian can thrive. This ties directly to my own experience arriving here as a refugee; my own housing struggles with my family. Australia has given us safety, home and future. But for thousands of Australians, home is not a given homelessness affects far too many lives every single night.

For one night, on Thursday, 18th June 2026, I'll sleep outside to experience what so many face every day, while raising vital funds for the St Vincent de Paul Society, who help people rebuild their lives.

My own journey has taken me from arriving as a refugee; my own housing struggles with my family to becoming a junior Squash World No. 7, Australia and Oceania Region No.1, representing Australia in Squash, building a career in banking, writing two books with one being an international best-seller, and now growing our real estate development and investment company. I&B Investment Co. It is a story shaped by vision, hope, perseverance, and hard work.

If you're able to support my fundraising goal, I'd be incredibly grateful. $100 can make a real difference to someone doing it tough. Together, we can help break the cycle of homelessness one night, one donation, one safe home at a time.

Together, we can help break the cycle of homelessness one night, one donation, one safe home at a time. I would also like to extend my sincere gratitude to Josh Cox for taking part in the exhibition event, along with all participants, sponsors, volunteers, the Vinnies CEO Sleepout team, Stafford Squash Centre (Les McNally), and the committee, including but not limited to Paul Paterson (Club President) and Andrew Culpeper (Treasurer) for their incredible support in making this event possible.
